Caritas Ambassadors

On Friday, some of our CARITAS ambassadors and Eco Council went to take part in a support for climate change at Salford Civic Centre. There were many children and councillors speaking about the importance of our role in making changes in conjunction with Cop26.

They look forward to sharing their knowledge and ideas with the rest of the school and supporting our Bishop's wishes to care and protect for our Common Home through Laudato Si.

THE GOSPEL IN CHURCH Sunday 7th November 2021

Jesus said, "Beware of the scribes who like to walk about in long robes, to be greeted with respect in the market squares, to take the front seats in the synagogues and the places of honour at banquets; these are the men who swallow the property of widows, while making a show of lengthy prayers. The more severe will be the sentence they receive." He sat down opposite the treasury and watched the people putting money into the treasury, and many of the rich put in a great deal. A poor widow came and put in two small coins, the equivalent of a penny. Then he called his disciples and said to them, "I tell you solemnly, this poor widow has put more in than all who have contributed to the treasury; for they have all put in money they had over but she, from the little she had, has put in everything she possessed, all she had to live on."
