Wednesday Word

1 Enjoy reading the Gospel

The time had come for Jesus to go to Jerusalem. He sent two of the disciples, telling them, "Go off to the village opposite, and as you enter it you will find a donkey that no one has yet ridden. Untie it and bring it here. If anyone asks you, 'Why are you untying it?' you are to say this, 'The Master needs it.'" They went off and found everything just as he had told them. So they took the donkey to Jesus, and throwing their garments over its back they helped Jesus on to it. As he set off, people spread their cloaks and branches from palm trees in the road in front of him. The whole group of disciples joyfully praised God at the top of their voices for all the miracles they had seen. They shouted, "Blessings on the King who comes in the name of the Lord! Peace in heaven and glory in the highest heavens!"
