Wednesday Word

THE GOSPEL IN CHURCH Sunday 11th July 2021

Jesus summoned the Twelve and began to send them out in pairs giving them authority over the unclean spirits. And he instructed them to take nothing for the journey except a staff - no bread, no haversack, no coppers for their purses. They were to wear sandals but, he added, "Do not take a spare tunic." And he said to them, "If you enter a house anywhere, stay there until you leave the district. And if any place does not welcome you and people refuse to listen to you, as you walk away shake off the dust from under your feet as a sign to them." So they set off to preach repentance, telling people to change their lives and turn back to God. And they cast out many unclean spirits, and anointed many sick people with oil and cured them.

Wellbeing

Thought for the week

"If you can't control it, let it go"
We all have worries and that's normal. It is how we deal with our worries that is important.

Ask yourself, will worrying about this change the outcome?
Can I do anything about it? If not, you just have to learn to let it go. Write your worries down and let them drift away.

The children have had a great week getting ready to watch England in the Euros 2020 final!
Good luck England!
